The owner the Action Center **AdventureXP** needs a system to handle reservations for activities, keep track of equipment etc.

So far this is what we know about **AdventureXP** :

- **AdventureXP** has various activities Go-kart, Bow and arrow, Paintball, Sumo Wrestling etc.
- Equipment for activities are lent out to the customers during the activity
- There are different age limits for the activities
- Private persons can make reservation for activities
- **AdventureXP** do also offer team building events for Business customers where the participants compete in different disciplines
- **AdventureXP** has the following employees:
  - 2 employees who take care of reservations and planning of activities
  - 8 instructors who take part in the activities. It is also the responsibilities of the instructors to check and maintain the equipment.
- Today customers can make reservations by phone or e-mail.
